Plano Band Sponsorship Program

The Plano Senior High School band has a long tradition of excellence and a focus on the community and the kids. Over the years, the bands of Plano have consistently earned top ratings across a wide array of band programs, including marching band, concert bands, jazz ensembles, drumline, colorguard, steel drum ensembles and more.

Being the 'old school' in the center of Plano, the Plano Band maintains and benefits from a strong community relationship and community pride. The marching band routinely performs in front of capacity crowds at football games and competitions. The Plano Band performs at 10-12 games per year, as well as three marching competitions, parades, Concerts and other community events. Game performances are routinely before a capacity crowd over 10,000 people, and marching competitions routinely attract thousands of spectators, who see our band perform. These performance, along with Jazz and Percussion group performance and competitions reach a large number of spectators.

Our Corporate Sponsorship program has several opportunities to participate, as well as an overall sponsorship program which supports all of the band programs. All options provide valuable exposure to the community, including performance programs and flyers, the band website and halftime show sponsor announcements. Special event sponsor opportunities include the Jazz Bands annual Swing Dance and the Annual Drumline contest, which draws competing schools from across the area.
