The Prism Concert

Elegance and Sophistication...The Plano Band Way

Thursday, May 28, 2009 | 7:30pm | Plano Senior High School Theater

Plano BAND
Plano Senior High School

2009 Prism Concert (cont')

A prism is a transparent body, often of glass and usually with triangular ends, used for separating white light passed through it into a spectrum or for reflecting beams of light.

A spectrum is the set of colors into which a beam of light can be separated. The colors of the spectrum - red, orange, yellow, green, blue, indigo, violet - can be seen when white light is passed through a prism.

The Prism concert features all of Plano's large groups, including all three concert bands, the marching band, the jazz ensemble, the PanCats Steel Drum Band, as well as many exciting and fun chamber ensembles.

Tonight you will hear the "Old West" and colors from Spain. The hit soundtrack from the Pixar movie "The Incredibles" blazes while everyone gets groovy with Earth, Wind, and Fire. Derek Hawkes, our 1st Chair All-State Trombonist is the featured soloist on "Blue Bells of Scotland." Elyse Senteney, Class of 2009, conducts the Wilson MS Flute Ensemble. The 1812 Overture explodes with the sounds of nationalism, canons, and spirit. The grand finale features the nationally acclaimed, Texas state recognized, award winning 2008-09 Wildcat Marching Band in a final bid farewell to our honored senior class. We pay our respect to our graduating class and their parents and friends with performances of Grandioso, The School Song, and The Fight Song.

The Plano Senior High School Band hopes you enjoy the many different musical colors offered this evening, as well as those presented throughout the 2008-09 school year.
