

## **Plano Symphonic, Concert 2, & Percussion Class FALL Semester Finals Review**

You will be asked to choose and answer one of the following 3 questions on your fall exam day:

1. Discuss any significance you feel marching band has on our campus and/or with our Plano community?
2. Evaluate and compare one of your first experience or performance with one of your last experience or performance with the Plano Band this Fall Semester.
3. Discuss an example when music was a source of inspiration or release from everyday trials and tribulations.

You will need a pen or pencil and legible writing skills. Hernandez will provide notebook paper for you to use. Take this time now to select the question you plan on answering and gather your thoughts to put down on paper. No extraneous notes, hard copy or electronic, will be allowed. All electronics will be kept in your backpack away from your writing area. Congratulations on a wonderful fall semester!
